R. E. Benedict is back from Vernal, where he says there is 300,000,000 feet of timber awaiting the advent of the Moffat road. Mr. Benedict enjoyed the Fourth of July exhibition at Vernal, which included an Indian attack on a stage coach, the scalping of the men and the abduction of the wothe men and the abduction of the wo-men and the later rescue by cowboys in the true frontier style. The spec-tacle, says Mr. Benedict, was far bet-ter than the Buffalo Bill show and was witnessed by the settlers of the surrounding country. There was also bronco busting and other features.

AFTER SEVENTY YEARS.

Claudius V. Spencer Receives Invitation to Attend 75th Anniversary.

bridge, a village of Massachusetts, Claudius V. Spencer has received an invita dus V. Spencer has received an invita-tion to return to the seventy-fifth anni-versary of the founding of the West Stockbridge village church. It is now 70 years since Mr. Spencer left Stock-bridge, in company with his father, Dan-iel Spencer, and Hyrum and Orson Spen-cer, two of his brothers; all of the party being convets to the Church. "I well remember the old church," said Mr. Spencer this morning, "Nathan Shaw

was the minister when I was a boy, and one day my father met a ragged looking youth on the street, who said he was a Mormon" elder, and had been looking all day for a place to preach. Father told him he was chairman of the school board and would give him the use of it, with heat and light.

"I was sent by father to inform our minister that the missionary wanted a place to preach, and he rose in his chair when I told him, and in rage, shouted to me that he would as soon listen to the devil as to a Mormon.

"The next day the missionary tried to talk religion with father, but he would not listen, although he helped the missionary on his way, he being piedged to travel without purse or scrip.

"From that acquaintanceship began a scries of conversions which included my father and myself, his brothers, and about 20 others. On account of this conversion we all left the village where I was born, 70 years ago, and to receive an invitation to return to it after these 70 years is a delightful experience. J. S. Moore, the present pastor, has been in charge of the village church for 25 years.

CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY WOULD HAVE SAVED

HIM \$100.00. HIM \$100.00.

"In 1902 I had a very severe attack of dizerhoea," says R. N. Farrar of Cat Island, La, "For several week I was unable to do anything, On March 18, 1907. I had a similar attack, and took Chamberlain's Colic, Cholera and Diarrhoea Remedy which gave me prompt relief. I consider it one of the best medicines of its kind in the world, and had I used it in 1902 believe it would have saved me a hundred dollar doctor's bill." Sold by all druggists.

MAY MODIFY ORDER.

Chief Pitt Sees a Great Light in Cigar Stand Closing Edict.

The order issued by Chief of Police Pitt that eigar stands in front of saloons must be closed on Sundays as loons must be closed on Sundays as well as the saloons, is to be modified. Twenty-one owners of such places refused absolutely to sign the compact which they were asked to sign by Chief Pitt and as a result of such refusal their licenses were held up when they were sent to the council without the approval of the chief of police.

Yesterday afternoon Mayor Bransford had a talk with Chife Pitt and Councilman Stewart of the police committee, and he declared that the order must be modified as he did not propose

mittee, and he declared that the order must be modified as he did not propose there should be class legislation, and that the saloons that had cigar stands should be permitted to keep open on Sunday and have the same chance to do business as the regular cigar stands. As a result of the meeting the saloon keepers will probably be notified in a day or two that the order has been or two that the order has been

OVER THIRTY-FIVE YEARS.

OVER THIRTY-FIVE YEARS.

In 1872 there was a great deal of diarrhoea, dysentery and cholera infantum. It was at this time that Chamberlain's Colic, Cholera and Diarrhoea Remedy was first brought into use. It proved more successful than any other remedy or treatment, and has for thirty-five years maintained that record. From a small beginning its sale and use has extended to every part of the United States and to many foreign countries. Nine druggists out of ten will recommend it when their opinion is asked, although they have other medicines that pay them a greater profit. It can always be depended upon, even in the most severe and dangerous cases. For sale by all druggists.

MAYOR DECLINES TO SIGN.

Is of Opinion That Black's Gravel Resolution is Too Restrictive.

Mayor Bransford has not signed the resolution passed by the city councfl Monday to the effect that no more gravel or dirt should be dumped upon the streets, where such action would raise the level above the prescribed grade. The resolution was introduced by Councilman Black, and was for the se of road supervisors filling up streets an uncalled for level, being forced afterwards, in many instances, to not only remove the same but to go much lower in order to strike the proper grade. The resolution was qualified to admit of slight repairs in the way of filling up chuckholes, etc., with the consent of the council, but Mr. Bransford is of the opinion that the resolution is too restrictive in char-
